Founded in 1970, Harmony House for Cats is a cageless no-kill shelter dedicated to rescuing and rehoming injured and abandoned cats. Opened in July 2012, Harmony House's new adoption center is LEED-NC Platinum certified, and showcases our cats and kittens for adoption in Chicago's greenest shelter. The building's heating and cooling needs are powered by 14 geo-thermal wells, 20 solar thermal panels, plus a photo voltaic system of 96 panels. The design is organized around a central landscaped courtyard for day-lighting and access for all shelter users, visually and physically, to nature. Cats in every room of the shelter enjoy natural light and look out at the trees and flowers surrounding the building.

Proceeds from the 2013 Walkathon will be used for veterinary bills, cat food, litter and the many expenses needed to run our adoption center. Each cat or kitten receives thorough medical care including spay / neuter surgery, treatment of any injuries, vaccinations and an AVID microchip.
