**HARMONY
HOUSE
FOR CATS**

2015 AD BOOK

Young at Heart

These senior kitties want to spend their golden years in loving arms and caring homes. Whether they were returned after many years in a home, or found themselves abandoned on the street, let's shine an adoption spotlight on these incredible felines. Come meet them and all the cats at Harmony House!

Nella, 16, female

I am a sweet elegant lady who likes to watch birds, sunbathe and sit in boxes!

Venus, 14, female

Even though I'm deaf, unlimited hugs and snuggles guaranteed! I adore being picked up and held.

Whitman, 10, male

I will laugh at your jokes, be your best friend, and offer you my furry philosophy of life. I am on daily medication and will receive a three month supply to get us started.

Shiva, 15, female

Mellow and sweet as can be, I love all cats and people I meet! I just need a new home to make my life complete. I am on daily medication and will receive a three month supply to get us started.

Since 1970, Harmony House for Cats has rescued and adopted out cats in a cageless, no-kill environment. All Harmony House cats

receive expert veterinary care and the one-on-one attention needed to be placed into a loving home. Until then, they are safe and cared for at Harmony House.

The purr-fect companion is waiting for you at Harmony House. Call us or visit our web site for adoption hours and details.
