December 2017

Dear Friend of Harmony House,

Several Chicago firefighters found a tiny kitten sprawled on the street, limp and barely moving. Thinking the kitten might have been struck by a car, we had the firefighters rush him to our veterinarian for emergency care. Arya was in severe pain, covered in fleas, and had almost no use of his legs. When x-rays showed no apparent fractures, he was started on multiple antibiotics and pain medicines hoping that the lack of motor function might be due to infection. The vet had no idea if this kitten would even survive that first night.

Within a few days, Arya began to scoot himself along on his belly and by the end of the week began to take a few wobbly steps. Arya was evaluated by a veterinary neurologist and prescribed acupuncture treatments and daily exercises to strengthen all four legs. As his pain and infection subsided, he started playing with cat toys and exploring his room in foster care. We have no idea what he has endured in his short little life, but he is not giving up and we cannot give up on Arya. His vet bills are already mounting, and he still has a long road ahead to help him gain more mobility. Please donate to give Arya the best chance at a normal life, and to care the next injured cat or kitten in need.

We are so grateful to your generosity throughout the year. It is because of you that we can rescue stray cats, provide them with veterinary care to recover, and place each of them in loving homes. Please help this holiday season in any amount that you can. Your gift will be put to immediate use to pay vet bills, food, litter, and keep the shelter doors open for more cats in need this winter. May 2018 bring joy and harmony to you and your loved ones.

With heartfelt thanks,

Ann Dieter

Bequests to Harmony House

Remember Harmony House in your will so that your love of animals will live on. An unrestricted bequest will allow Harmony House to use your gift wherever the funds are most needed at the time. We suggest the following language in wills:

"I give and bequeath the sum of \$_____ to Animal Protective Association's Harmony House for Cats, an Illinois not-for-profit corporation located at 2914 N Elston, Chicago, IL 60618 to be used for its general charitable purposes. The organization's federal tax identification number is 23-7137725."

OR

"I give and bequeath _____% of my estate to Animal Protective Association's Harmony House for Cats, an Illinois not-for-profit corporation located at 2914 N Elston, Chicago, IL 60618 to be used for its general charitable purposes. The organization's federal tax identification number is 23-7137725."

It is recommended that you consult an attorney when you write or amend a will so that the document conforms to the laws in the state where you reside. If you previously named Harmony House as a beneficiary in a will or trust listing our 3809 N Kedzie address, please update the document to our new shelter location at 2914 N Elston.

35th Annual Walk for Cats

Thank you to all the fabulous walkers who participated in the 2017 Walk for Cats, and the many volunteers who helped the day of the event. Tau rode on her mom's shoulder in style and enjoyed meeting all the people and dogs participating in the Walk. Furry hugs to our event sponsors: Portage Park Animal Hospital & Dental Clinic, North Center Animal Hospital and Ravenswood Animal Hospital. Every walker received a 2017 Walk t-shirt designed by artist Nicolette Ross.

Become a Volunteer!

The cats need your help. Cleaning volunteers are welcome seven days a week, learn how to groom the cats on Tuesday and Thursday evenings, represent Harmony House at an Outreach event or assist with one of our Open Houses. There are activities to match every schedule. Children 5-17 can participate in the Grooming and Socialization program on Tuesdays and Thursdays 6-8 pm when accompanied by a parent. Every new volunteer must attend an orientation session. Sign up online, or call for upcoming orientation dates.

Tales from Home

Hi Harmony House,

We just wanted to give you a first week update of our sweet boy, Disney. Disney was very anxious when we first brought him home from Harmony House but calmed down dramatically after 24 hours. He is a total cuddle bug that loves to sit on our laps while we watch tv. He also loves to sleep in bed with us at night, usually preferring to lie directly on top of our chests. He has been very friendly to the few friends we have had over, coming up for pets and offering licks. He is very playful and loves his mouse toy from the shelter that we attached to one of those cat toy wands. He has already been spoiled with lots of new toys. He is a wonderful cat and we love him very much! Thank you, Harmony House, for taking such good care of Disney.

Lily and Annika

Hi Friends at Harmony House,

We just wanted to let you know we are happy in our new home, we love terrorizing our downstairs neighbor when we play "cops and robbers". Apparently, she doesn't have an appreciation for the pitter patter of kitty feet. Billy Goat is happy to have a bigger space to run and Goose (formerly Sybil) likes to check out EVERYTHING in her new home. Thank you for taking great care of us and helping us find a home with a human to make our lives easier. Street living was not becoming to our standards of cat life.

Luv, Billy Goat and Goose Tavern

Hello!

Chester (formerly Captain Esteban) adjusted perfectly to his new home and his new cat parents. He spends his days sitting in his custom-build cat window seat, napping in his chair, and cuddling with his cat parents. At nights, Chester comes alive and loves chasing around his mice toys, playing fetch with his favorite felt mouse, and basically turning any object that moves even slightly into a toy. Chester is sure to bring at least 3 mice into our bed each night while we sleep to make sure we're well fed. We couldn't be more in love with our little guy, and he seems to be quite happy with his new home. Thank you for bringing such a perfect, little cat into our family for us to love.

Ann
