Founded in 1970, Harmony House for Cats is a cageless no-kill shelter, dedicated to rescuing and rehoming injured and abandoned cats. Opened in July 2012, Harmony House's adoption center is LEED-NC Platinum certified, and showcases our cats and kittens for adoption in Chicago's greenest shelter. The building's heating and cooling needs are powered by 14 geo-thermal wells, 20 solar thermal panels, plus a photovoltaic system of 96 panels. The shelter design is organized around a central landscaped courtyard for day-lighting and access for all shelter users, visually and physically, to nature.

Proceeds from the 2014 Spring Dinner and Auction will be used for veterinary bills, cat food, litter and the many expenses needed to run our adoption center. Each cat or kitten receives thorough medical care including spay / neuter surgery, treatment of any injuries, vaccinations and an AVID microchip.
